AESCULAP ACADEMY

The world wide
learning experience

**AESCULAP
ACADEMY**

Designed as a Forum for Communication in Medicine, the AESCULAP ACADEMY has dedicated itself to facilitate an interdisciplinary dialogue and to provide knowledge transfer from person to person.

Topics ranging from state-of-the-art medical techniques and technology to public health issues to controversial medical discussions are all part of the Aesculap Academy Learning Experience. Our strong industry ties with global opinion leaders, each a specialist in their own field, allows the propagation of knowledge internationally. Our hands-on workshops shows practical applications and further reinforces the principles and concepts of the Learning Experience.

Partnerships and associations with internationally recognized institutions guarantee a global focus on current medical issues.

Discover the unique world wide learning experience of the AESCULAP ACADEMY and ask for information on our program today.
