

REF TITLE CHAIRPERSON (in bold) AND SPEAKERS ROOM

Saturday, 12 June 2010

10:00-17:00

- 19W1*** **Airway Hands-on Workshop 1: State of the Art** **Hall 3a**
IMPORTANT NOTICE: access is limited to 64 pre-registered delegates
- Chaired by: Pierre Diemunsch (France), Flavia Petrini (Italy)**
- Supra-glottic airway with oesophageal-gastric drain**
 Co-ordinator: Arnd Timmermann (Germany); Tutors: Massimo Micaglio (Italy), Friedrich Pühringer (Germany)
- Fiberoptic intubation**
 Co-ordinator: Pierre Diemunsch (France); Tutors: Nikolaos Gorgias (Greece), Carin Hagberg (USA), Hakala Pertti (Finland)
- Fiberoptic intubation**
 Co-ordinator: Pierre Diemunsch (France); Tutors: Nikolaos Gorgias (Greece), Hakala Pertti (Finland), Carin Hagberg (USA)
- Video-laryngoscope**
 Co-ordinator: Flavia Petrini (Italy); Tutors: Richard Cooper (Canada), Allister Dow (UK)
- Video-laryngoscope**
 Co-ordinator: Heikki Antila (Finland); Tutors: Annika Takala (Finland), Timo Salomäki (Finland), Wojciech Chrapek (Finland)
- Video stylet**
 Co-ordinator: Peter Biro (Switzerland); Tutors: Judit Meray (Hungary), Ruggero Corso (Italy), Rüdiger Noppens (Germany)
- Fiberoptic intubation through LMA**
 Co-ordinator: Markus Weiss (Switzerland); Tutors: Jacqueline Mauch (Switzerland), Pablo Ingelmo (Italy), Mital Dave (Switzerland)
- Trans-tracheal cannulation & Manujet**
 Co-ordinator: Ankie Hamaekers (NL); Tutors: Dietmar Enk (NL), Tim Strang (UK)
- Surgical cricothyroidotomy**
 Co-ordinator: Ioannis Zogogiannis (Greece); Tutors: Aggeliki Bairaktari (Greece), Nikolaos Pentilas (Greece)
- 19W2*** **Airway Hands-on Workshop 2: The Basics** **Hall 3d**
IMPORTANT NOTICE: access is limited to 64 pre-registered delegates
- Chaired by: John Henderson (UK)**
- Advanced face-mask ventilation: Adult & paediatric**
 Co-ordinator: Thomas Engelhardt (UK); Tutors: Kurola Jouni (Finland), Abdul Sheikh (UK), Bruno Marciniak (France)
- Supraglottic airways**
 Co-ordinator: Vasilios Dimitriou (Greece); Tutors: Hoppu Sanna (Finland), Ari Löppönen (Finland)
- Advanced direct laryngoscopy**
 Co-ordinator: John Henderson (UK); Tutors: Johannes M. Huitink (NL), David Ball (UK), Reny Segal (Australia)
- Retrograde intubation**
 Co-ordinator: Michael Kristensen (Denmark); Tutors: Birgitte Fredensborg (Denmark), Nikolaos Liakopoulos (Greece)
- ILMA**
 Co-ordinator: Vicente Martinez-Pons (Spain); Tutors: Hülya Bilgin (Turkey), Pedro Charco (Spain)
- Basic flexible fiberoptic laryngoscopy**
 Co-ordinator: Brian Harte (Ireland); Tutors: Kamil Toker (Turkey), Girish Joshi (USA)
- Local anaesthesia of airway**
 Co-ordinator: Nicholas Woodall (UK); Tutors: Rob Harwood (UK), Katrina Williams (UK)
- Surgical cricothyroidotomy**
 Co-ordinator: Dusanka Janjevic (Serbia); Tutors: Giulio Frova (Italy), Kyriakos Kokkinis (Greece)

REF	TITLE	CHAIRPERSON (in bold) AND SPEAKERS	ROOM
13:00-13:45			
1RC1	Refresher course, introduced by: How to read a paper and run a journal club	Arash Afshari (Copenhagen, Denmark) Malachy O. Columb (Wythenshawe, Manchester, UK)	Room 207
4RC1	Refresher course, introduced by: Pathophysiology, diagnosis and treatment of peri-operative acute renal failure	Stefan G. De Hert (Amsterdam, NL) Fabio Guarracino (Pisa, Italy)	Room 208
7RC1	Refresher course, introduced by: Mechanisms of anaesthesia-induced unconsciousness	Eberhard F. Kochs (Munich, Germany) Gerhard Schneider (Munich, Germany)	Ballroom 2
8RC1	Refresher course, introduced by: Adding regional analgesia to general anaesthesia: increase in risk or improved outcome?	Markus W. Hollmann (Amsterdam, NL) Michele Curatolo (Bern, Switzerland)	Room 101ab
9RC1	Refresher course, introduced by: Medical strategies to prevent peri-operative renal failure	Claude Meistelman (Nancy, France) Jonathan Thompson (Leicester, UK)	Hall 3g
10RC1	Refresher course, introduced by: Complex ventilation strategies in paediatric anaesthesia	Marcin Rawicz (Warsaw, Poland) Walid Habre (Geneva, Switzerland)	Ballroom 1
11RC1	Refresher course, introduced by: Changes in human uterine innervation in pregnancy and during labor	Giorgio Capogna (Rome, Italy) Berith Tingaker (Stockholm, Sweden)	Room 206
12RC1	Refresher course, introduced by: Blood transfusions in critically ill patients	Frank Stueber (Bern, Switzerland) Daniel De Backer (Brussels, Belgium)	Hall 3e
15RC1	Refresher course, introduced by: Top ten statistical errors in the anaesthesia literature	Zeynep Kayhan (Ankara, Turkey) Patrick Wouters (Gent, Belgium)	Room101d
17RC1	Refresher course, introduced by: The WHO Safer Surgery initiative: do anaesthetists have a role?	Filippo Bressan (Prato, Italy) Ravi Prakash Mahajan (Nottingham, UK)	Room 101c
18RC1	Refresher course, introduced by: The elderly patient scheduled for day case surgery: anaesthetic considerations	Bernadette Th. Veering (Leiden, NL) Jan Jakobsson (Stockholm, Sweden)*	Hall 3c
19RC1	Refresher course, introduced by: Sedation for fiberoptic bronchoscopy	John Henderson (Glasgow, UK) Nicholas Woodall (Norwich, UK)	Hall 3b
14:00-14:45			
ESAL1	The First ESA Plenary Lecture "You'll never walk alone" (see p. 27 for more details)	Paolo Pelosi (Varese, Italy) Jennifer Margaret Hunter (Liverpool, UK)	Hall 1
14:00-15:30			
10W1*	Paediatric ultrasound regional anaesthesia workshop - Joint workshop of Subcommittees 8 & 10 - IMPORTANT NOTICE: The access is limited to 24 pre-registered delegates Ultrasound-guided vascular access - Basics Ultrasound-guided peripheral nerve blocks- Basics	Per - Arne Lönnqvist (Stockholm, Sweden) Peter Marhofer (Vienna, Austria) Harald Willschke (Vienna, Austria)*	Room 102
15:00-15:45			
1RC2	Refresher course, introduced by: Quality improvement in anaesthesia: approaches and examples	Josefina Suzana Da Cruz Parente (Algés, Portugal) Juan Gomez - Arnau (Madrid, Spain)*	Room 207
2RC1	Refresher course, introduced by: Anticoagulant and antiplatelet drugs; the dangers and how to manage them	Kari Korttila (Helsinki, Finland) Ian Jackson (York, UK)	Hall 3e
3RC1	Refresher course, introduced by: Point of care monitoring of blood: invasive and non-invasive monitoring	Wolfgang F. Buhre (Utrecht, NL) Hartmut Gehring (Lübeck, Germany)*	Hall 3g
5RC1	Refresher course, introduced by: The effect of regional anaesthesia on respiratory function	Jonathan G. Hardman (Nottingham, UK) Lennart Magnusson (Fribourg, Switzerland)	Hall 3b
6RC1	Refresher course, introduced by: Neuraxial anaesthesia, anticoagulant and antiplatelet agents: the ESA guidelines ESA GUIDELINES INITIATIVE These recommendations are only the start of the ESA's involvement with guidelines. Task forces are now preparing guidelines on preoperative evaluation, preoperative fasting and the management of severe bleeding. For more information on the guidelines and the work of the ESA Guidelines Committee visit www.euroanaesthesia.org	Charles-Marc Samama (Paris, France)* Sibylle Kozek Langenecker (Vienna, Austria)	Room 101ab

REF	TITLE	CHAIRPERSON (in bold) AND SPEAKERS	ROOM
7RC2	Refresher course, introduced by: Glucose for the brain : fuel and poison?	Frank Rasulo (Brescia, Italy) Federico Bilotta (Rome, Italy)	Ballroom 2
8RC2	Refresher course, introduced by: Interscalene brachial plexus blockade - Indications, anatomy, practical performance	Barry Nicholls (Taunton, UK) Urs Eichenberger (Bern, Switzerland)*	Room 206
10RC2	Refresher course, introduced by: Multimodal analgesia in children	Walid Habre (Geneva, Switzerland) Myron Yaster (Baltimore, MD, USA)*	Room 208
11RC2	Refresher course, introduced by: Neurophysiology of labour pain	Giorgio Capogna (Rome, Italy) James Eisenach (Winston-Salem, NC, USA)	Room 101c
13RC1	Refresher course, introduced by: Early management of traumatic brain injury	Benno Wolcke (Mainz, Germany)* Charles D. Deakin (Southampton, UK)	Room101d
14RC1	Refresher course, introduced by: Persient postoperative pain - pathogenic mechsanism	Harald Petter Breivik (Oslo, Norway) Eske Kvanner Aasvang (Copenhagen, Denmark)	Hall 3f
19RC2	Refresher course, introduced by: Airway management and morbid obesity	Pierre A. Diemunsch (Strasbourg, France) Michael Seltz Kristensen (Copenhagen, Denmark)	Hall 3c
15:00-16:30			
17W1	Life simulation of critical events: Why things go wrong - and what can help?	Marcus Rall (Tuebingen, Germany)* Gerson Conrad (Filderstadt, Germany) Doris Østergaard (Herlev, Denmark)* Silke Reddersen (Tuebingen, Germany) Filippo Bressan (Prato, Italy) Stefan Gisin (Basel, Switzerland) Ronnie J. Glavin (Glasgow, UK) Olli Vaisanen (Helsinki, Finland) Eric Stricker (Tuebingen, Germany) Ralf Krage (Amsterdam, NL)*	Ballroom 1
16:00-16:45			
ESAL2	Lecture, introduced by: Hot Topics in Pain Medicine - last year's top publications	Patricia Lavand'homme (Brussels, Belgium) David J. Rowbotham (Leicester, UK)	Hall 3f
2RC2	Refresher course, introduced by: Nausea and vomiting in Day Case Anaesthesia - Risk score, prophylaxis and rescue therapy	Jan Jakobsson (Stockholm, Sweden) Christian C. Apfel (San Fransisco, USA)*	Room 101c
3RC2	Refresher course, introduced by: Do monitor alarms improve patient safety under anaesthesia?	Anne Vakkuri (Vantaa, Finland) Arieh Y. Oppenheim - Eden (Haifa, Israel)	Hall 3b
4RC2	Refresher course, introduced by: The biology of vulnerable plaques	Stefan G. De Hert (Amsterdam, NL) Jozef Van Herck (Edegem, Belgium)	Room101d
5RC2	Refresher course, introduced by: Bronchoaspiration: incidence, consequences and management	Olivier Langeron (Paris, France)* Beatrice Beck - Schimmer (Zürich, Switzerland)	Room 101ab
6RC2	Refresher course, introduced by: Fluid and blood transfusion in obstetrics	Yves Ozier (Paris, France)* Brigitte E. M. Ickx (Brussels, Belgium)	Hall 3c
9RC2	Refresher course, introduced by: Dexmedetomidine: new insights	Charles S. Reilly (Sheffield, UK) Jean Mantz (Clichy, France)	Ballroom 2
11RC3	Refresher course, introduced by: Prevalence and predictors of chronic pain after vaginal delivery	Giorgio Capogna (Rome, Italy) Marco Abraham Marcus (Maastricht, NL)	Room 206
12RC2	Refresher course, introduced by: ARDS treatment	Gernot Marx (Aachen, Germany)* Salvatore Grasso (Bari, Italy)	Hall 3g
15RC2	Refresher course, introduced by: How to get your research published	J. Robert Sneyd (Plymouth, UK) Peter Marhofer (Vienna, Austria)	Room 208
17RC2	Refresher course, introduced by: The wisdom of complex organisations: high reliability as a model for anaesthesia	Sven E. A. Staender (Mannedorf, Switzerland) Kathleen Sutcliffe (Michigan, USA)	Room 207

REF	TITLE	CHAIRPERSON (in bold) AND SPEAKERS	ROOM
18RC2	Refresher course, introduced by: Peri-operative haemoglobin in the elderly: how low can we go?	Lars Simon Rasmussen (Copenhagen, Denmark) Nicolai Bang Foss (Hvidovre, Denmark)	Hall 3e
17:00-18:00			
Awards Ceremony - Hall 1 (see p. 156 for more information)			
18:15-19:30			
Opening Ceremony - Hall 1 (see p. 156 for more information)			
Sunday, 13 June 2010			
8:30-9:15			
4W1	Corticosteroids during cardiac surgery Pro Con	Uwe Schirmer (Bad Oeynhausen, Germany) Diederik Van Dijk (Utrecht, NL) Joseph Arrowsmith (Cambridge, UK)*	Room 208
12W1	We should give hydrocortisone in septic shock Pro Con	Benoit Vallet (Lille, France) Herwig Gerlach (Berlin, Germany) Charles Sprung (Jerusalem, Israel)	Room 101c
8:30-10:00			
BAPCAP1	Best Abstracts - Runner-up Session 1 (see p. 82 for more details)	Frank Stueber (Bern, Switzerland) Flavia Petrini (Chieti-Pescara, Italy)	Ballroom 2
2S1	News in Day Case Anaesthesia: focus on local anaesthetics Perioperative local anaesthesia: fast onset and prolonged analgesia Perineural blocks: single injection and continuous catheter techniques Local Anaesthesia in the wound: continous infusion or high volume single injection - an update	Jan Jakobsson (Stockholm, Sweden) Per Henrik Rosenberg (Helsinki, Finland) Anil Gupta (Örebro, Sweden) Henrik Kehlet (Copenhagen, Denmark)	Hall 3g
4S1	Perioperative echocardiography symposium Basic principles of echocardiography Indications and limitations of the echocardiogram Focus assessed transthoracic echo (FATE) TTE and TEE teaching in Europe	Jan Poelaert (Brussel, Belgium) Berthold Bein (Kiel, Germany) Jochen Renner (Kiel, Germany)* Patrick Wouters (Gent, Belgium) Eric Sloth (Århus N, Denmark) Jan Poelaert (Brussel, Belgium)	Hall 3d
5S1	Non-invasive ventilation Intraoperative Postoperative Intensive Care Unit	Marcelo Gama de Abreu (Dresden, Germany) Lennart Magnusson (Fribourg, Switzerland) Olivier Langeron (Paris, France)* Philippe Jolliet (Lausanne, Switzerland)*	Hall 3b
10S1	Red Flags in Paediatric Anaesthesia The child with cardiomyopathy Child with facial deformities Sharing the airways	Andrew Wolf (Bristol, UK) Andrew Wolf (Bristol, UK) Robert Bingham (London, UK) Andreas Machotta (Rotterdam, NL)	Room 101ab
11S1	Obstetric Critical Care Pre-eclampsia Obstetric admission to intensive care: early warning signs HIV in Pregnancy	Marc Van de Velde (Leuven, Belgium) Andrew Shennan (London, UK) Gerda Zeeman (Zwolle, NL)* Marc Van de Velde (Leuven, Belgium)	Hall 3c
18S1	Major vascular surgery in the elderly patient Preoperative assessment Does the outcome justify the effort? Epidural anaesthesia: yes or no?	Frédéric Aubrun (Paris, France) Gérard Danjoux (Middlesbrough, UK) Torben V. Schroeder (Copenhagen, Denmark) Bernadette Th. Veering (Leiden, NL)	Hall 3e

REF	TITLE	CHAIRPERSON (in bold) AND SPEAKERS	ROOM
19S1	Airway management: device procurement and actual practices in Europe Which airway devices are available in our OR? Which devices are available in intensive care and emergency units? How to clean and maintain non-disposable airway devices	Thomas Metterlein (Regensburg, Germany) Thomas Metterlein (Regensburg, Germany) Jouni Kurola (KUOPIO, Finland)* Allister Dow (Guildford (Surrey), UK)	Room 102
17W2	Life simulation of critical events: Why things go wrong - and what can help?	Marcus Rall (Tuebingen, Germany)* Gerson Conrad (Filderstadt, Germany) Doris Østergaard (Herlev, Denmark)* Silke Reddersen (Tuebingen, Germany) Filippo Bressan (Prato, Italy) Stefan Gisin (Basel, Switzerland) Ronnie J. Glavin (Glasgow, UK) Olli Vaisanen (Helsinki, Finland) Eric Stricker (Tuebingen, Germany) Ralf Krage (Amsterdam, NL)*	Ballroom 1
9:00-12:00			
8W1*	Regional Anaesthesia Phantom Workshop - IMPORTANT NOTICE: the access is limited to 24 pre-registered delegates Ultrasound guided nerve blocks: The basics Current Concepts in Regional Anaesthesia	Peter Marhofer (Vienna, Austria) Urs Eichenberger (Bern, Switzerland)* Andrew D. Rosenberg (New York, USA) Barry Nicholls (Taunton, UK) Jovan Popovic (New York, NY, USA)	Hall 3a
9:30-10:15			
12RC3	Refresher course, introduced by: Assessment of volume responsiveness	Steffen Rex (Aachen, Germany)* Jean-Louis Teboul (Le Kremlin-Bicêtre, France)*	Room 208
6W1	Thromboprophylaxis In day-case surgery In critically ill patients	Daniela Filipescu (Bucharest, Romania) Charles-Marc Samama (Paris, France)* Juan Vicente Llau Pitarch (Valencia, Spain)	Room 101c
9:30-11:30			
SS01	A Deeper Look at Neuromuscular Blockade Management: The Role of Sugammadex Welcome and introductory remarks The need for deep blockade Preventing residual blockade and its complications The clinical benefits of routine reversal with sugammadex Closing remarks Question-and-answer session Satellite Symposium supported by an unrestricted educational grant from MSD	Hanna Illman (Turku, Finland) Claude Meistelman (Nancy, France) Hanna Illman (Turku, Finland) Claude Meistelman (Nancy, France) Glenn Murphy (Evanston, IL, USA) Hans de Boer (Groningen, The Netherlands) Hanna Illman (Turku, Finland) Claude Meistelman (Nancy, France)	Hall 1
10:30-11:15			
7W1	Cerebral vasospasm in subarachnoid haemorrhage and brain trauma Diagnosis and imaging of cerebral vasospasm Treatment of cerebral vasospasm	Nicolas Bruder (Marseille, France) Walter M. van den Bergh (Utrecht, NL)	Room 208
10W2	Management of paediatric cases When the full stomach is not a full stomach Neonatal Cardiopulmonary Resuscitation	Myron Yaster (Baltimore, MD, USA) Isabelle Constant (Paris, France) Belen De Jose Maria (Barcelona, Spain)	Ballroom 1
10:30-12:00			
BAPCAP2	Best Abstracts - Runner-up Session 2 (see p. 82 for more details)	Wolfgang F. Buhre (Utrecht, NL) Stefan G. De Hert (Amsterdam, NL)	Ballroom 2

REF	TITLE	CHAIRPERSON (in bold) AND SPEAKERS	ROOM
2S2	Increasing patient groups in Day Surgery Elderly Obesity - BMI 35+ Cardiovascular disease	Gary McClean (Lurgan, Northern Ireland, UK) Gabriella Bettelli (Ancona, Italy) Michel M. R. F. Struys (Groningen, NL) Heidi Eriksson (Helsinki, Finland)	Room 102
3S1	Monitoring - New technology Depth of Anaesthesia Neuromuscular Blockade Optimal monitoring technology	Thomas Schnider (St. Gallen, Switzerland)* Joergen Bruhn (Nijmegen, NL) Thomas Fuchs-Buder (Nancy, France) Cor J. Kalkman (Utrecht, NL)	Hall 3c
6S1	Perioperative fluid management How to monitor fluid administration Colloids: have we got the ideal one? Standard versus balanced fluid approach	Idit Matot (Tel-Aviv, Israel) Benoit Vallet (Lille, France)* Philippe J. F. Van Der Linden (Brussels, Belgium) Joachim Boldt (Ludwigshafen, Germany)*	Hall 3g
11S2	What's new in Obstetric Anaesthesia Developments in obstetric medicine Labor Analgesia Anaesthesia for Caesarean section	Giorgio Capogna (Rome, Italy) Marie Smith (Newcastle upon Tyne, UK) Roshan Fernando (London, UK) Ruth Landau (Seattle, USA)	Room 101ab
12S1	Surviving sepsis: The basics Pathophysiology Prevention Diagnosis	Claude Martin (Marseille, France) César Aldecoa Alvares Santullano (Valladolid, Spain) Rolf Dembinski (Aachen, Germany) Frank Stueber (Bern, Switzerland)	Hall 3b
ESAS1	ESA National Symposium 1 - Changes in our profession Feminisation in medicine: Implications for our profession Intensive Care as part of the residency programme (CoBATRICE) Revalidation of existing specialists	Hugo Van Aken (Münster, Germany) Karel Cvachovec (Prague, Czech Republic) Wiebke Gogarten (Munich, Germany) Michael Quintel (Göttingen, Germany) Judith Ann Hulf (London, UK)	Room 101c
4W2*	Echocardiography Hands-on Workshop - IMPORTANT NOTICE: access is limited to 50 pre-registered delegates	Jan Poelaert (Brussel, Belgium) Berthold Bein (Kiel, Germany) Berthold Bein (Kiel, Germany) Jochen Renner (Kiel, Germany)* Patrick Wouters (Gent, Belgium) Eric Sloth (Århus N, Denmark) Jan Poelaert (Brussel, Belgium)	Hall 3d
11:30-12:15			
7W2	Brain protection during anaesthesia Preconditioning, postconditioning, intraoperative neuroprotection: what might be useful? The role of statins in perioperative neuroscience	Eberhard F. Kochs (Munich, Germany) Christian Werner (Mainz, Germany)	Room 208
14W1	Organisation of Pain Clinics European Perspective US Perspective	Narinder Rawal (Örebro, Sweden) Michele Curatolo (Bern, Switzerland) Srinivasa Raja (Baltimore, MD, USA)	Ballroom 1
12:15-13:45			
BAPCPC1	ESA Best Abstract Prize Competition (BAPC) (see p. 82 for more details)	Benedikt H. J. Pannen (Düsseldorf, Germany) Philip Hopkins (Leeds, UK) Nicolas Bruder (Marseille, France)	Ballroom 2

REF	TITLE	CHAIRPERSON (in bold) AND SPEAKERS	ROOM
SS02	Managing the patient with cardiac disease: the value of preconditioning and fast-track protocols Preconditioning for the patient with cardiac disease Leipzig fast-track protocol; effective, safe and economical Satellite Symposium supported by an unrestricted educational grant from GlaxoSmithKline	Gavin NC Kenny (Glasgow, UK) Mike Irwin (Hong Kong, China) Jörg Ender (Leipzig, Germany)	Hall 3c
SS03	2nd Annual Patient Safety Symposium - CO2 Monitoring for Patient Safety in all Clinical Environments Better monitoring for patient safety Non-intubated Capnography in all settings Take a deep breath; Capnography is coming to your ICU Capnography, GI Endoscopy & Patient Safety Satellite Symposium supported by an unrestricted educational grant from Oridion Medical 1987 Ltd	Hans Knape (Utrecht, the Netherlands) Hans Knape (Utrecht, the Netherlands) Baruch Krauss (Boston, MA, USA) Sharon Einav (Jerusalem, Israel) Andrea Riphaut (Bochum, Germany)	Room 102
12.30-13.30			
SS04	Peri-operative optimization - See more than others Are blood pressure and heart rate enough to guide fluid therapy perioperatively? Using PiCCO-based algorithms for perioperative hemodynamic management. How should we manage complications? Satellite Symposium supported by an unrestricted educational grant from Pulsion Medical Systems AG	Jean-Louis Teboul (Paris, France) Javier Belda (Valencia, Spain) Javier Belda (Valencia, Spain) Matthias Goepfert (Hamburg, Germany) Michael Quintel (Göttingen, Germany)	Hall 3b
SS05	Heavy Speedy Spinal Is spinal anaesthesia still suitable for ambulatory surgery? Heavy and Speedy: heavy Prilocaine Safety of hyperbaric Prilocaine: clinical and experimental data Satellite Symposium supported by an unrestricted educational grant from Sintetica S.A.	Narinder Rawal (Örebro, Sweden) Paul F. White (Dallas, TX, USA) Guido Fanelli (Parma, Italy) Karl Hampl (Aarau, Switzerland)	Room 101ab
12.30-14.00			
SS06	Improving quality of recovery - You make the difference Case studies - The importance of anaesthetic and analgesic choices Questions and answers Conclusion Satellite Symposium supported by an unrestricted educational grant from Baxter	Joachim Boldt (Ludwigshafen, Germany) Jaume Canet (Barcelona, Spain) Marc Beaussier (Paris, France) Patricia O'Neill (Lisbon, Portugal) All Joachim Boldt (Ludwigshafen, Germany)	Room 101c
SS07	PIPC – Post Intubation Pulmonary Complications - who cares? Are we aware of the PIPC problem at all? Are new preventive intra-operative approaches effective? Do we prevent PIPC postoperatively? Satellite Symposium supported by an unrestricted educational grant from Covidien	Jean Damien Ricard (Paris, France) Michael Quintel (Goettingen, Germany) Jan Poelaert (Brussels, Belgium) Giorgio Conti (Rome, Italy)	Hall 3f
SS08	Management of massive bleeding in elective and emergency surgery Current practice of bleeding management: The evidence for effectiveness and risks An elective surgery model for successful bleeding management: Fibrinogen concentrate in aortic surgery Outcome data of "Platelet/FFP - free trauma management" matched against a multinational registry Rational and timely haemostatic intervention in severely bleeding patients: mechanistic and practical considerations Satellite Symposium supported by an unrestricted educational grant from CSL Behring GmbH	Aryeh Shander (Englewood, NJ, USA) Donat R. Spahn (Zürich, Switzerland) Marc C. Samama (Paris, France) Niels Rahe-Meyer (Hannover, Germany) Herbert Schöchl (Salzburg, Austria) Benny Sørensen (London, UK)	Hall 3e

REF	TITLE	CHAIRPERSON (in bold) AND SPEAKERS	ROOM
13:00-16:00			
8W2*	Regional Anaesthesia Phantom Workshop - IMPORTANT NOTICE: the access is limited to 24 pre-registered delegates Ultrasound guided nerve blocks: The basics Current Concepts in Regional Anaesthesia	Andrew D. Rosenberg (New York, USA) Urs Eichenberger (Bern, Switzerland)* Andrew D. Rosenberg (New York, USA) Barry Nicholls (Taunton, UK) Jovan Popovic (New York, NY, USA)	Hall 3a
14:00-14:45			
12W2	Selective decontamination of digestive tract Pro Con	Rolf Dembinski (Aachen, Germany) Wolfgang Artur Krüger (Konstanz, Germany) Claude Martin (Marseille, France)	Room 102
13W1	Should anaesthesiologists establish and be responsible for Medical Emergency Teams? Yes No	Bernd Böttiger (Cologne, Germany) Jerry Nolan (Bath, UK) Marc Sabbe (Leuven, Belgium)	Ballroom 1
14W2	Visceral Pain Mechanisms of Visceral Pain Management of Visceral Pain	Isabelle Decosterd (Lausanne, Switzerland) Lars Arendt - Nielsen (Aalborg, Denmark) Oliver H. G. Wilder - Smith (Nijmegen, NL)*	Room 208
14:00-15:30			
6S2	Perioperative thrombotic risk Thrombophilia: does it matter? Heparin-induced thrombocytopenia Anti-phospholipid syndrome	Daniela Filipescu (Bucharest, Romania) Marcel Levi (Amsterdam, NL) Andreas Koster (Lahr, Germany) Denis Wahl (Nancy, France)	Room 101ab
7S1	Traumatic cerebral oedema Cerebral oedema: mechanism and pathophysiology after head injury Elevated ICP: a marker of severity or a cause of death after head injury Barbiturates and neuromuscular blocking agents: still valuable to treat intracranial hypertension ?	Christian Werner (Mainz, Germany) Jean-François Payen de La Garanderie (Grenoble, France) Olaf Cremer (Utrecht, NL) Kristin Engelhard (Mainz, Germany)*	Hall 3b
ESAS2	Research Grant Session - Symposium organised by the ESA ESA Research Committee; presentations given by ESA Research Grant winners Chaotic Variable Pressure Support Ventilation (Noisy-PSV) Effects of mechanical ventilation on pulmonary extracellular lung matrix Aspirin in Non-cardiac Surgery	Paolo Pelosi (Varese, Italy) Marcelo Gama de Abreu (Dresden, Germany)* Daniela Negrini (Varese, Italy) Anil Gupta (Örebro, Sweden)	Ballroom 2
GuestS1	Quality assurance in management of postoperative pain - Symposium organised by World Federation of Societies of Anaesthesiologists (WFSA) Recommendations of best practice for postoperative analgesia Does prevention improve quality of postoperative analgesia? How to assess professional practice in postoperative analgesia?	Philippe Scherpereel (Lille, France) Angela Enright (Victoria, Canada) Henrik Kehlet (Copenhagen, Denmark) Martin Tramèr (Genève, Switzerland) Francis Bonnet (Paris, France)	Hall 3c
GuestS2	Medical gases – an update Symposium organised by International Society for Inhaled Medical Gases and Therapies (ISMG) Postoperative oxygen therapy – a rational clinical approach Helium – biological effects beyond its physical properties Hyperbaric oxygen – routine therapy or academic playground?	Jörg Weimann (Berlin, Germany) Claes G. Frostell (Stockholm, Sweden)* Ola Stenqvist (Göteborg, Sweden)* Benedikt Preckel (Amsterdam, NL) Folke Lind (Huddinge, Stockholm, Sweden)	Hall 3g

REF	TITLE	CHAIRPERSON (in bold) AND SPEAKERS	ROOM
15:00-15:45			
1W1	Keeping up to date Using evidence-based medicine in every day practice Experience gained from the National Danish Anaesthesia Database: Detection of risk factors for difficult intubation and quality measures of airway handling in a large scale anaesthesia database.	Maurizio Solca (Milan, Italy) Massimo Lamperti (Milano, Italy) Lars Hyldborg Lundstrøm (Herlev, Denmark)	Room 102
5W1	Smoking and anaesthesia The methods & effects of preoperative cessation of smoking Intraoperative and postoperative effects of smoking	Lennart Magnusson (Fribourg, Switzerland) Jaume Canet (Barcelona, Spain) Gary Mills (Sheffield, UK)	Room 208
10W3	Pro-Con debate: Is there still a place for Succinylcholine in children? Pro Con	Isabelle Constant (Paris, France) Marcin Rawicz (Warsaw, Poland)* Markus Weiss (Zürich, Switzerland)	Hall 3e
11W1	Logical use of clotting factors during obstetric haemorrhage	Marie-Pierre Bonnet (Clamart, France)	Room 101c
16:00-16:45			
ESAL3	Lecture, introduced by: Hot Topics in Anaesthesiology - last year's top publications	Jennifer Margaret Hunter (Liverpool, UK) Andreas Hoeft (Bonn, Germany)	Hall 3e
12RC4	Refresher course, introduced by: Management of acute kidney failure	César Aldecoa Alvares Santullano (Valladolid, Spain) Detlef Kindgen - Milles (Düsseldorf, Germany)*	Room 102
1W2	Patient participation and choice What choice means to patients Opportunities and limitations in anaesthesia and critical care	Peter Kranke (Würzburg, Germany) Roger Goss (London, UK) Alan R. Aitkenhead (Nottingham, UK)	Ballroom 2
9W1	Pharmacology for the Anaesthetist	Claude Meistelman (Nancy, France) Michel M. R. F. Struys (Groningen, NL)*	Ballroom 1
18W1	Pulmonary problems in the elderly Smoking cessation in the elderly Specific pulmonary risk factors in the elderly patient	Jaume Canet (Barcelona, Spain) Ann Merete Møller (Herlev, Denmark) Jaume Canet (Barcelona, Spain)	Room 101c
16:00-17:30			
5S2	Variable ventilation: break the monotony! Why should the anaesthesiologist care about variability in ventilation? Variable ventilation in anaesthesia and intensive care Can variability in ventilation be beneficial for weaning?	Olivier Langeron (Paris, France)* Javier F. Belda Nacher (Valencia, Spain) Marcelo Gama de Abreu (Dresden, Germany)* Peter Spieth (Dresden, Germany)	Hall 3d
10S2	Recognition of the sick child The septic child The infant with cardiac disease The child with breathing problems	Elly Petronella Vermeulen (Utrecht, NL) Stephan Clement de Cleyt (Brussels, Belgium) Anthony Moriarty (Birmingham, UK) Elly Petronella Vermeulen (Utrecht, NL)	Hall 3b
13S1	Trauma and survival Time, team and receiving hospital Coagulopathy in trauma - how military medicine may influence civilian practice Suspension trauma	Bernd Böttiger (Cologne, Germany) Karl-Christian Thies (Birmingham, UK) Carl Gwinnutt (Salford, UK) Guttorm Brattebø (Bergen, Norway)	Room 208
14S1	Neuraxial Blockade for Postoperative Pain Management Utility in Patients with Hemostatic Disorders Utility following Arthroplasty Alternative Approaches	Narinder Rawal (Örebro, Sweden) Harald Petter Breivik (Oslo, Norway) Ian Power (Edinburgh, UK) Marc Beaussier (Paris, France)*	Hall 3g
16:00-18:00			
15S1	Examiners' Symposium - Assessments Assessing knowledge Assessment of procedural skills Assessing professionalism	Zeev Goldik (Haifa, Israel) Zeev Goldik (Haifa, Israel) George Shorten (Cork, Ireland) Elisabeth Van Gessel (Geneva, Switzerland)	Hall 3c

REF	TITLE	CHAIRPERSON (in bold) AND SPEAKERS	ROOM
GuestS3	<p>Round Table: Helsinki Declaration on Patient Safety - Symposium organised by European Board of Anaesthesiology (EBA) in conjunction with European Society of Anaesthesiology (ESA) (see p. 74 for more information)</p> <p>Chairpersons: Jannicke Mellin - Olsen (Norway), Seppo Alahuhta (Finland), Ellen P. O'Sullivan (Ireland)</p> <p>Anaesthesiology as a model for patient safety Ellen P. O'Sullivan (Ireland)</p> <p>Practical examples from operating theatres, intensive care medicine, pain medicine, emergency medicine and more David Whitaker (UK), Hugo Van Aken (Germany), Margarita M. Puig (Spain), Edoardo De Robertis (Italy), Johannes Th. A. Knape (NL)</p> <p>Educating and training for safety Sven E. A. Staender (Switzerland)</p> <p>Safety throughout the hospital Andrew Fairley Smith (UK)</p> <p>Leading the way in Europe - the role of the EBA and Launch of the Helsinki Declaration</p> <ul style="list-style-type: none"> Jannicke Mellin-Olsen, EBA President Paolo Pelosi, ESA President Liisa-Maria Voipio-Pulkki, Director, Department of Social and Health Services, Finish Ministry of Social Affairs and Health Itziar Larizgoitia, Head Research and Knowledge Management, WHO Susanna Palkonen, Vice President, European Patient's Forum Angela Enright, WFSA President 		Room 101ab
17:00-17:45			
3W1	<p>Anaesthesia and a hostile environment Safety regulations in the MRI field Patient care in hostile environments (MRI-Radiology)</p>	<p>Cor J. Kalkman (Utrecht, NL) Andreas Melzer (Dundee, UK) Hartmut Gehring (Lübeck, Germany)</p>	Ballroom 2
6W2	<p>Age of the blood: does it really matter? Yes No</p>	<p>Philippe J. F. Van Der Linden (Brussels, Belgium) Idit Matot (Tel-Aviv, Israel) Leo M.G. Van de Watering (Leiden, NL)</p>	Ballroom 1
9W2	<p>Oxycodone Basic Pharmacology Clinical use</p>	<p>Klaus Olkkola (Turku, Finland)* Vesa Kalevi Kontinen (Helsinki, Finland) Eija Kalso (Helsinki, Finland)*</p>	Room 101c
17.00-18.30			
SS09	<p>ICU SEDATION – Are we satisfied? Introduction Pre-ICU practices: can we affect the outcome? Overview of sedative agents currently used in the European ICU Current ICU sedation strategies in the USA Sedation in the ICU: problems and solutions Satellite Symposium supported by an unrestricted educational grant from Orion Pharma</p>	<p>Jean-Louis Vincent (Brussels, Belgium) Jukka Takala (Bern, Switzerland) Robert Sladen (New York, USA) Jean-Louis Vincent (Brussels, Belgium) Giovanni Landoni (Milan, Italy) Jouko Jalonen (Turku, Finland) Robert Sladen (New York, USA) Jukka Takala (Bern, Switzerland)</p>	Hall 3f
SS10	<p>PDMS – Benefits in ICU and Anesthesia Anesthesia Management System Data Reporting Workflow support in Critical Care Continuum of care in Anesthesia and ICU – New Philips ICIP E.0 Satellite Symposium supported by an unrestricted educational grant from Philips Healthcare</p>	<p>Gert Jan Scheffer (Nijmegen, Netherlands) TBC Lorenzo Quinzio (Böblingen, Germany)</p>	Hall 101d
Monday, 14 June 2010			
8:30-9:15			
13W2	<p>Out-of-hospital intubation of the trachea in polytrauma and traumatic brain injury? Pro Con</p>	<p>Guttorm Brattebø (Bergen, Norway) Volker Dörge (Kiel, Germany) Arnd Timmermann (Göttingen, Germany)</p>	Ballroom 1

REF	TITLE	CHAIRPERSON (in bold) AND SPEAKERS	ROOM
19W3	Special techniques in Airway Management Bronchial blockers (indications, tips and tricks) Percu Twist and Blue Dolphin	Flavia Petrini (Chieti-Pescara, Italy) Bernhard Zwissler (Munich, Germany) Giulio Frova (Milano, Italy)*	Room 102
8:30-10:00			
3S2	Computing and communication Electromagnetic compatibility in the hospital: are we ready for wireless technology? Use of IT for optimising care pathways Does computing technology influence anaesthesia in and outside the OR	Pedro L. Gambús (Barcelona, Spain) Hartmut Gehring (Lübeck, Germany) Wolfgang F. Buhre (Utrecht, NL) Pedro L. Gambús (Barcelona, Spain)	Ballroom 2
7S2	Cognitive dysfunction after brain injury: from coma to awakening or vegetative state. Are we improving the results? - Joint symposium of Subcommittees 7 & 16 Ethical issues in severely brain damaged patients Can we predict neurologic outcome for brain injured patients in the ICU? Cerebral function: from coma to minimally conscious states	Louis Puybasset (Paris, France) Sadek Beloucif (Bobigny, France) Louis Puybasset (Paris, France) Steven Laureys (Liège, Belgium)	Hall 3a
8S1	Hazards in regional anaesthesia Neuro- and myotoxicity of local anaesthetics Avoidance of damage during peripheral techniques Is low volume of local anaesthetic neuroprotective?	Xavier Capdevila (Montpellier, France) Lukas Kirchmair (Innsbruck, Austria)* Barry Nicholls (Taunton, UK) Markus W. Hollmann (Amsterdam, NL)	Hall 3c
11S3	Imaging techniques in obstetric anaesthesia Is there any place for ultrasound guided central neuraxial blocks in obstetrics Use of imaging techniques to detect placental pathology and its relevance for the anaesthesiologist Doppler ultrasonography: maternal hypotension and vasopressor therapy	Roshan Fernando (London, UK) John Loughrey (Dublin, Ireland) Michael J. Weston (Leeds, UK) Tiina Erkinaro (Oulu, Finland)	Hall 3b
12S2	Ventilator Induced Lung Injury Volume limit? Pressure limit? NAVA: Clinical relevance	Michael Quintel (Göttingen, Germany) Marco Ranieri (Torino, Italy) Paolo Pelosi (Varese, Italy) Philippe Jolliet (Lausanne, Switzerland)*	Room 101ab
15S2	Research: Start to Finish From research idea to grant application: common pitfalls Academic degrees. What is the purpose of becoming a PhD student? How it works for supervisors and students Presenting your research	J. Robert Sneyd (Plymouth, UK) Patrick Wouters (Gent, Belgium) Ann Merete Møller (Herlev, Denmark) J. Robert Sneyd (Plymouth, UK)	Room 208
17S1	Interactive Presentation & Analysis of Critical Cases from European Incident Reporting Systems with Audience Voting System Critical Case 1 Critical Case 2 Critical Case 3 Critical Case 4	Doris Østergaard (Herlev, Denmark) Andrew Fairley Smith (Lancaster, UK) Marcus Rall (Tuebingen, Germany)* Filippo Bressan (Prato, Italy) Sven E. A. Staender (Mannedorf, Switzerland)	Hall 3g
18S2	The science of ageing Why do we age Physiology of ageing Pharmacology	Bernadette Th. Veering (Leiden, NL) Bas Zwaan (Leiden, NL) Richard Griffiths (Peterborough, UK) Jaap Vuyk (Leiden, NL)	Room 101c
GuestS4	Intraoperative checklist - impact on postoperative outcome? (Joint symposium of ESA & ESICM) Intraoperative checklists and systems approach to errors Limits of an intraoperative checklist Can it change postoperative management	Jean-Daniel Chiche (Paris, France) César Aldecoa Alvares Santullano (Valladolid, Spain) Ravi Prakash Mahajan (Nottingham, UK) Bernhard Walder (Genève, Switzerland) Rupert M. Pearse (London, UK)	Hall 3f

REF	TITLE	CHAIRPERSON (in bold) AND SPEAKERS	ROOM
ESAS3	ESA National Symposium 2 - Political activism of National Societies of Anaesthesiologists: Acting on a national level Funding of Residency Programmes How can shortage of anaesthesiologists be used to improve anaesthesiologists' image and wages? How did Romanian anaesthesiologists improve their conditions?	Ivan Smilov (Sofia, Bulgaria) Miodrag Milenovic (Belgrade, Serbia) Hugo Van Aken (Münster, Germany) Azriel Perel (Tel Hashomer, Israel)* Dan Tulbure (Bucuresti, Romania)	Room101d
09.00-13.00			
SS11*	Video Laryngoscopy in daily use and Airway Management History of video Laryngoscopy Teaching Emergency Medicine Intensive Care Medicine Anaesthesia Difficult Airway Discussion Conclusion / Closing Remarks	Volker Dörge (Kiel, Germany) Christian Byhahn (Frankfurt, Germany) Matthias Helm (Ulm, Germany) Rüdiger Noppens (Mainz, Germany) Erol Cavus (Kiel, Germany) Volker Dörge (Kiel, Germany)	Room 206
SS12*	Station 1 Emergency Station 2 Intensive Care Station 3 Operating Theater / Teaching Station 4 Difficult Airway Management Satellite Symposium and Workshop supported by an unrestricted educational grant from Karl Storz *Registration required - for more information visit Karl Storz at stand k25	Matthias Helm (Ulm, Germany), Andreas Schwartz (Ulm, Germany) Rüdiger Noppens (Mainz, Germany), Tim Piepho (Mainz, Germany) Christian Byhahn (Frankfurt, Germany), Sabine Merz (Villingen-Schwenningen, Germany) Erol Cavus (Kiel, Germany), Carsten Thee (Kiel, Germany)	Room 205
9:30-10:15			
16RC1	Refresher course, introduced by: Extracorporeal life support in out-of-hospital cardiac arrest: medical and ethical aspects	Marti Manyalich (Barcelona, Spain) Sadek Beloucif (Bobigny, France)	Ballroom 1
19W4	New concepts in airway management The 4 drawers cart concept The single use optical devices	Pierre A. Diemunsch (Strasbourg, France) Peter Biro (Zürich, Switzerland)* Ankie Hamaekers (Maastricht, NL)*	Room 102
09.30-10.30			
SS13	Spinning the Wheel of Fluid Thinking Supporting the Macrocirculation. New Data in Trauma Taking Care of Coagulation Issues Satellite Symposium supported by an unrestricted educational grant from Fresenius Kabi Deutschland GmbH	Hugo Van Aken (Münster, Germany) Michael F.M. James (Cape Town, South Africa) Sibylle Kozek-Langenecker (Vienna, Austria)	Hall 3e
10:30-11:15			
2W1	How do we manage laparoscopic pararenal surgery as a Day Case - experience from Stoke on Trent	Johan Raeder (Oslo, Norway) Ian Smith (Staffordshire, UK) Clare Hammond (Staffordshire, UK)	Room 208
8W3	Regional anaesthesia in anaesthetised patients - Pro-con discussion Pro Con	David Bogod (Nottingham, UK) Xavier Capdevila (Montpellier, France) William Harrop - Griffiths (London, UK)	Hall 3g
9W3	Pharmacology for the Anaesthetist	Claude Meistelman (Nancy, France) Michel M. R. F. Struys (Groningen, NL)*	Ballroom 1
10.30-11.30			
SS14	Perioperative respiratory complications in the obese patient Induction and maintenance of anaesthesia Postoperative care Satellite Symposium supported by an unrestricted educational grant from Maquet Critical Care AB	Göran Hedenstierna (Uppsala, Sweden) Samir Jaber (Montpellier, France) Klaus Lewandowski (Essen, Germany)	Hall 3d

REF	TITLE	CHAIRPERSON (in bold) AND SPEAKERS	ROOM
10:30-12:00			
151	Evidence-based practice: systematic reviews in anaesthesia and critical care The Cochrane Anaesthesia Review Group Recent systematic reviews in anaesthesia Recent systematic reviews in critical care	Pablo Rama - Maceiras (Coruña, Spain) Ann Merete Møller (Herlev, Denmark) John Bernard Carlisle (Torquay, UK) Arash Afshari (Copenhagen, Denmark)	Room 102
653	Management of massive blood loss - Joint symposium of Subcommittees 6 & 12 Fresh frozen plasma to packed red blood cells units ratio: what is the best? The place of rFVIIa: the CONTROL study Is there a place for these agents: PCC, fibrinogen, FXIII?	Juan Vicente Llau Pitarch (Valencia, Spain) Gernot Marx (Aachen, Germany)* Yves Ozier (Paris, France)* Bertil Bouillon (Köln, Germany) Michael Spannagl (Munich, Germany)*	Room 101ab
852	Additives for locoregional anaesthesia Benefits in clinical practice Opioids Alpha2-receptor agonists	Jay B. Brodsky (Stanford, USA) Elisabeth Gaertner (Nice, France) Zbigniew Koscielniak - Nielsen (Copenhagen, Denmark) James Eisenach (Winston-Salem, NC, USA)	Hall 3b
1253	Daily challenges on ICU Coagulation disorders The importance of right heart dysfunction How I deal with delirium	Rupert M. Pearce (London, UK) Benoit Vallet (Lille, France) Steffen Rex (Aachen, Germany)* Richard Griffiths (Liverpool, UK)	Hall 3a
1352	Hot topics in resuscitation Lipid resuscitation Compression-only CPR? All about life and death - Futility in resuscitation	Jerry Nolan (Bath, UK) Oguzhan Dagtekin (Cologne, Germany) Benno Wolcke (Mainz, Germany)* Freddy Lippert (Hillerød, Denmark)	Hall 3c
1553	Simulation and Selection Integrating simulation into a clinical training programme Adverse events in the clinic – can we eliminate them by training in the simulator environment? Selecting trainees for anaesthesia using aptitude or knowledge based tests?	J. Robert Sneyd (Plymouth, UK) Miriam Harnett (Cork, Ireland) Guttorm Brattebø (Bergen, Norway) Tom Gale (Plymouth, UK)	Ballroom 2
1651	Non-Heart Beating Cardiac Donor Controlled vs. Uncontrolled Cardiac Death: Ethical Issues It Should be Controlled: the Belgian Experience Uncontrolled Cardiac death can provide organs: the Spanish Experience	Bruno Riou (Paris, France) Sadek Beloucif (Bobigny, France) Jean - Louis Vincent (Brussels, Belgium) Marti Manyalich (Barcelona , Spain)	Room101d
1853	Methods for preventing postoperative morbidity in elderly patients Proactive care of older people undergoing elective surgery Critical care outreach for the elderly patient Review of evidence - future prospects	Nicolai Bang Foss (Hvidovre, Denmark) Jugdeep Dhesi (London, UK) David Goldhill (Stanmore, UK) Mike Grocott (London, UK)*	Room 101c
11:30-12:15			
14RC2	Refresher course, introduced by: Assessment and mechanisms of musculo-skeletal pain	Josep Lluís Aguilar (Palma De Mallorca, Spain) Thomas Graven - Nielsen (Aalborg, Denmark)*	Ballroom 1
12.00-13.30			
SS15	Advanced monitoring in anesthesia for improved outcomes Improving surgery outcomes by combining cerebral oximetry and BIS In the spotlight - Depth of anesthesia and patient outcomes? Satellite Symposium supported by an unrestricted educational grant from Covidien	Harvey L. Edmonds (Louisville, USA) Dan Longrois (Brabois, France)	Hall 3f

REF	TITLE	CHAIRPERSON (in bold) AND SPEAKERS	ROOM
SS16	Delivering on Better Transfusion Therapies: Appropriate Use of Fresh Frozen Plasma & Prothrombin Complex Concentrates		Hall 3e
	Fresh Frozen Plasma Audits and Warfarin Reversal	John Grant-Casey (London, UK)	
	Benefits and Risks of Prothrombin Complex Concentrates	James O'Donnell (Dublin, Ireland)	
	Appropriate use of Prothrombin Complex Concentrate: A Practical Approach to Translating Guidelines into Practice	Christine McQuillan (Liverpool, UK)
